CELLANTENNA CORP., a Florida

Plaintiff,

Florida Bar No. 149005

vs.

FEDERAL COMMUNICATIONS
COMMISSION and THE UNITED
STATES OF AMERICA,

Defendants.

_____ /

AFFIDAVIT

BEFORE me the undersigned authority personally appeared _____, who after first being duly sworn deposes and states as follows:

1. My name is _____. I am the _____ of _____ (insert title and name of law enforcement agency). I make the following statements of my own personal knowledge.

2. It is well know that terrorists employ remote control improvised explosive devices (RCIED's) to attack civilian populations. These RCIED's are bombs designed to be detonated by the use of a common cellular telephone.

3. These RCIED's can be disabled by utilizing cellular jamming equipment, also known as radio frequency jamming devices. Presently, state and local law enforcement agencies are prohibited from obtaining cellular jamming equipment.

4. It is my opinion that the employment of cellular and radio frequency jamming devices which can be utilized to disable RCIED's would be of great benefit to state and local law enforcement agencies and first responders. The use of the such devices would be an invaluable aid in protecting the health, safety and welfare of the general public, and without question, would serve the public interest.

5. Were such cellar or radio frequency jammers be commercially available to state and local law enforcement agencies, my department would strongly consider acquiring such equipment, and availing itself of this critically important counter-terrorism technology.

FURTHER AFFIANT SAYETH NAUGHT.
